

Student Representative Council

PTSA Student Representative Council

Objectives

- To encourage student participation in the Centreville High School Parent Teacher Student Association
- To provide leadership opportunities for students
- To serve the school and community
- To apply for PTSA Senior Scholarship (points earned for number of years participating in SRC)

Certification

Students who participate in the Student Representative Council will receive a certificate and commendation letter to add to their college admission or work reference files. No elections or appointments are required—just interested students who want to be heard and make a difference in our school.

To earn a certificate, you must:

- Be a PTSA member. Membership forms are available on the PTSA Website at www.cvhsptsa.org
- Attend at least **three** PTSA General Membership meetings and/or PTSA sponsored events throughout the school year
- Complete at least **five** PTSA-approved **service hours**

Meetings and Forums are held in the CVHS Media Center at 7:00 PM. Most PTSA meetings end by 8:00 PM. If a meeting continues past 8:00 PM, students may feel free to leave at that time.

Record of Service Form

On the CVHS PTSA web site, under Documents, download the Requirements and Application forms for the PTSA SRC Record of Service. Deadline Submission is the May PTSA General Membership Meeting annually.

Earned Certificates will be presented during the Underclassmen or Senior Awards Presentation Events in June.

Volunteer Opportunities
